ABOUT US

Bell Needles is a premium manufacturer of high-performance sewing machine needles, trusted by professionals worldwide. With a strong commitment to quality, precision, and innovation, we provide needles engineered for durability and superior stitching performance. Our products are designed to meet the highest industry standards, ensuring reliability across various sewing applications.

With a growing presence in 27+ countries, Bell Needles is the preferred choice for tailors, garment manufacturers and industrial sewing units. Our cutting-edge manufacturing, stringent quality control and world-class packaging set us apart in the industry.

WHY BELL NEEDLES?

Superior Strength & Durability

Longer needle life with high-grade materials

Consistent Performance

Accurate results across fabrics & machines

Premium Packaging

Easy storage, identification & long-term protection

Precision Engineering

Flawless stitching, minimal thread breakage

Industry-Leading Quality Control

Every needle is rigorously tested

Trusted Worldwide

Used by professionals in 27+ countries

BELL PRODUCT RANGE

BELL DBX1
USAGE: LOCKSTITCH

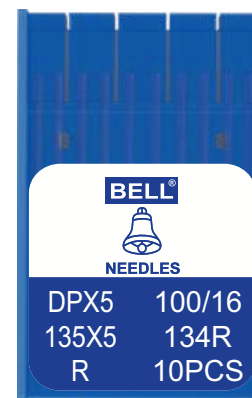

BELL HAX1
USAGE: DOMESTIC

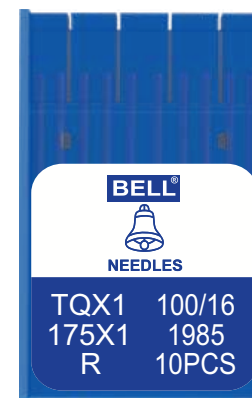

BELL DBXK5
USAGE: EMBROIDERY

BELL DPX5
USAGE: EMBROIDERY

BELL TQX1
USAGE: QUILTING

BELL DPX17
USAGE: WALKING FOOT

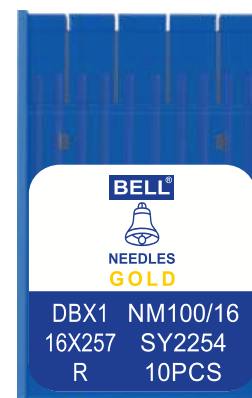

BELL UY128 GAS
USAGE: OVERLOCK

BELL DCX1
USAGE: COVERSTITCH

BELL DBX1 GOLD
USAGE: LOCKSTITCH

BELL HAX1 GOLD
USAGE: DOMESTIC
